

Being justified by faith, we have peace with God through our Lord Jesus Christ:” Romans 5:1

We are justified by faith in Christ. Through faith we have peace with God. Yet, peace is short-lived in the world we live in. Humanity has a hard time of holding onto peace due to selfish ambitions. Any type of law that is established does not free man from the guilt of sin, nor does it cause man to sin less. With man there is no justification. Justification can only come through the person and work of Jesus Christ. It is through faith in Christ that we have peace with God and man. We have the promise that through Christ death and resurrection that the power of sin is broken. What the law could not do, Christ death accomplished that peace with God. Do not let go of your faith in God, for it can move mountains in your life.
